## Strategic Plan for 2018-2023

### Vision

- To provide affordable quality education by continually examining what, how, why and who it teaches.
- To keep and prepare young minds (students) for imbibing Knowledge, skills and Sensitivity with the belief every student can learn and that student's learning potential is unknown and not pre determined.
- To develop students to identify, their potentials and hidden talents so as to ake them powerful thinkers and problem-solvers, especially social problems.
- To develop Students to gain content knowledge and develop pedagogy.
- To develop Students to a acquire an understanding of Subject matter across the curriculum and apply it in pedagogically appropriate manner.
- To provide opportunities to students to recognize how race, class, gender, ethnicity, family and society shape human values and experiences.
- To make Students understand the relationship between teachers and students, between Students academic achievements and their emotions.
- To provide create classroom and field environments that respect all students and meet the needs of all learners.

### Our Mission

- To educate and strengthen the unprivileged class (economically, socially and educationally weaker sections) of the society through quality education.
- To implement Quality Teaching Learning Process following the norms, standards and guidelines. issued by the regulatory bodies like NCTE, JAC, University etc.
- Motto of the college" Excellence in Education, to strive for quality education in keeping and prepare young minds for imbibing knowledge, skill and sensitivity.

### Decision and programme should focus on

#### Academic Accomplishment
